Lake Creek Squared Log Room  
School House (later, it was  
covered in wooden shiplap.  
later it was moved from  
the flat on the north side  
of the Lake Creek Road  
(not too far from the Spring)  
To the south & west of  
the Old Red Sandstone  
Phillips home — about  
300' away from it. A  
Sandstone foundation  
formed a "basement" in  
its newer location.
